COLLECTOR, SONEPUR.

In course of my visit to Rampur areas the villagers told that Goddess Chandlipat is being worshipped at Dunguri Chanabeda village in Dunguripali Block from ancient times and on Chaitra Purnima day a great festival is held with large gathering. The location of this sacred site is a great Tourist interest with beautiful caves and other things. You are, therefore, requested to examine this and send the proposal to Director, Tourism to declare it as a Tourist place and you may include it in the District broucher of Tourism and Cultural interest. Further you are requested to provide a road to the site out Of **D. R. D. A.** funds.
